ring"; the breath is offensive, stuffy and
noisy; the nose is obstructed, and there is a
sense of tightness with nasal depression, a headache,ough

named symptoms are likely to be present in
any one case. Thousands of cases annually,

"Coryza," and "Cerebral Headache."

"Untold Agony from Catarrh."

Prof. W. H. Harkness, the famous mesmerist,
of Ithaca, N.Y., writes me two years ago I
suffered severely from catarrh. My physician
told me, my family physician, my doctor in
Ithaca, and said I must die. My case was
such a bad one, that every day, I suffered severe
headache, dizziness, vertigo, prostration, and
had a speak above whisper. Remonstrating
me, coughing and coughing, throat would
almost strangle me. By the use of Dr. Sage's
Catarrh Remedy, in three months, I was a well
man, and the cure has been permanent!

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., 292 Pine Street,
St. Louis, Mo., writes: "I was a great sufferer
from catarrh for three years, and during that
time, I was constantly hawking and spitting, and for six last eight months could
not breath through the nostrils. I thought
nothing could be done for me. Luckily, I was
advised to try Dr. Sage's Catarrh Remedy, and
I am now well man. I believe it to be the
only safe remedy for catarrh now manufac-
tured, and one has only to give it a fair trial to
experience astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving val-
uable hints to clothing, diet and other matters
of importance, will be mailed, post-paid to any
address, on receipt of a two-cent postage stamp.
